Attention all members:

The following information is being sent to the membership to inform you of recent changes to the Field Safety Rules.

These 2 new safety rules were approved by the membership on 8/9/07 and go into effect immediately:

Section 2: Field Safety Rules:

22) Pilots of all turbine powered aircraft must present a current AMA membership card and AMA Jet Turbine Waiver card OR a current Club Membership card with a turbine endorsement (purple stripe). The cards must be displayed at the Radio Impound Frequency board.

23) There will be no refueling of any aircraft while the engine is running.

Announcing the proposed By-Laws updates. This information needs 30 days for you to review as per our by-laws. We will vote on them on September 13, 2007 at the General Meeting.

By-Laws: Article 7, Voting:

As written now:

4. Show of hands voting shall be sufficient for all voting issues except the election of officers or special voting issues for which paper ballots shall be provided.

Motion to change:

4. Show of hands voting shall be sufficient for all voting issues except the election of officers or special voting issues for which paper Ballots shall be provided. Once an issue has been voted upon it can not be brought before the membership for a period one year except for issues concerning field safety.
