**AS TIME GOES BY**

**WOW..... WHERE DID IT GO ??????????!**

I never saw 2 years fly by so quickly in all my life. The time has now come to step aside so that our new board can pick up the controls and take over.

They are a great bunch of guys with young blood and lots of get up and go. Give them your full support and they will do their very best to please everyone.

I had a great time these past 2 years and let me say that it was an education. I learned an awful lot.

What I enjoyed the most was that it brought back such wonderful memories. To me, it was like re-living the past with each story I wrote. I hope you enjoyed them as much as I did. I liked the way Richie Suppes summed it all up the other day at our field when he said to me "Did you always get in trouble when you flew real airplanes?" I thought that was great and all those who were around and heard him, got a big laugh out of it.

With that, let me say that it was a pleasure and thank you all for letting me hold the reins for a while. This is the BEST CLUB I've ever been involved in. I think it is the greatest and we should all try to keep it that way. SO..... AS ALWAYS

**BE WELL...BE HAPPY...FLY SAFE.....and HAPPY LANDINGS**
